

Make your own cake flags!

Print out and cut along the lines. Fold and glue the tabs into place to create a money box you can use to collect donations at your event.

You'll need:

- Scissors
- Glue
- Toothpicks

1. Cut along the dotted lines.
2. Fold each diamond in half to form a flag.
3. Glue one end of a tooth pick along the fold and stick the flag in your cake.
