Lisa's story: A decade of dedication

Lisa has been part of our hospice family since the very first Santa Dash in 2009. She's taken part every year with her mum and friends, and is always ready to help the fundraising team, from doing a skydive to speaking at our Golf Day dinner.

She's a friendly face at community events and a star at selling raffle tickets! So far, Lisa's raised an amazing **£6,621** herself, and £42,734 as part of the away with the fairies team.

Lisa and her Mum Angela

"St Luke's cared for my dad when I was little and later for my best friend's mum. The love, compassion and dignity they gave to both of them and to us as families - is something I'll never forget..."

...that's why I'll always do what I can to raise money for St Luke's Hospice."
- Lisa Egan
